Dear Sirs:

We are writing to let you know how very pleased we are with your Cable Concrete Erosion Mats.

On numerous projects we find your product easy to handle and to install. Our clients are also pleased with the performance of your erosion mats. The supplying of the erosion mats for our company has been very accommodating.

We will be pleased to suggest West Lorne Precast and your erosion mats to other companies and look forward to working with you in the future.

Yours truly,

Connie DeWilde  
President  
Mar-Con Excavating Ltd.
